Mr. W. S. Carpenter,
Glendale, Utah

RE: LONG VALLEY DIST.

Dear Sir:

Reference is made to your letter dated Nov, 28, 1934, in which you say your statement of delinquent users does not correspond with that mailed to you recently. In reply thereto let me say it was not my intention to have you check the payments made from former years and therefore the assessment roll forwarded to you was not up to date in this respect.

Your copy of the assessment roll which you returned with your letter has been checked however with the records of this office and is herewith enclosed, the only correction noted being on the payment of Homer Esplin of September 26, in the amount of \$1.65, which did not appear on your record.

Yours very truly,

T. H. Humphreys,
